

Auto and Home Services | **Home Inspection**

Make sure your home is everything you
dreamed it would be.

Liberty Mutual's Home Inspection Service provides you with the knowledge to make a well-informed decision about your purchase and helps avoid unexpected issues down the road. Our licensed inspectors will assess all aspects of your potential new home, giving you peace of mind.

Home inspection service you can depend on

Liberty Mutual's Home Inspection Service helps protect your investment by providing a quality, thorough inspection that gives you critical information on what your future home may need.

Why Liberty Mutual Home Inspection?

- **A provider you know and trust:** For more than 100 years, Liberty Mutual has helped its customers live safer, more secure lives, so you can count on your inspection being done right.
- **Qualified professionals:** Our certified, licensed Home Inspectors meet Liberty Mutual's quality and customer service standards, walking you through every step of the home inspection.
- **Thorough, quality inspections:** We use industry-leading, rigorous quality control processes so you can be sure that your inspection will provide an in-depth assessment of all readily accessible systems and components in the home.
- **Clear, comprehensive report:** Each report is clear, has thorough written commentary, and displays pictures of items that need attention.
- **Follow-up is easy:** After the inspection is completed, you can contact Liberty Mutual with any follow-up questions you have.

Schedule your inspection today!

For questions about our Home Inspection Service or to make an appointment, call (855)-LM-SERVICES / (855)-567-3784, or email us at homeinspection@libertymutual.com

What we inspect:

Our licensed Home Inspector will conduct a comprehensive review of all aspects of your home, including:

- Interior rooms
- Exterior of home
- Roofing
- Structural components
- Plumbing
- Electrical
- Heating
- Air conditioning
- Insulation and ventilation
- And more...

We even include a **complimentary wood-destroying insect inspection**.

Other Available Options

- Radon tests
